OBJECTIVE

Admission to Graduate Program in Biology

EDUCATION

Clayton State University Morrow, GA
Bachelor of Science in Biology GPA: 3.6 2009
Advanced-Level Courses: Biocomputing, Biotechnology, Genetics, Cell Biology, Anatomy, and Physiology, Microbiology, Evolution, Abnormal Psychology, Medical Terminology, Organic Chemistry I and II and labs, Statistics

TECHNICAL SKILLS

Biocomputing analysis using algorithms: Primer Creation (primer3 website), protein explorer, using Biology Workbench, BLAST, NCMI Database
Biotechnology/Microbiology related techniques: Gel Electrophoresis (DNA and SDS-PAGE), PCR, ELISA, DNA extraction, cell culture and plate development
Chemistry techniques: synthesis of compounds, titrations, using the Spec 20

EXPERIENCE

Clayton State University Morrow, GA
Student Researcher with Dr. Any Professor Spring 2009

- Researched primary literature
- Established protocol for conducting research
- Analyzed behavioral responses using statistical measures

Lab Teaching Assistant for Biology Courses Fall 2008

- Assisted Professor Scientist in setup of laboratories before class
- Performed dissections with students during class
- Led discussions and/or laboratory sections
- Proctored lab and practical examinations
- Assisted professor with general record keeping for the course

Science and Math Tutor (Center for Academic Success) 2007-2008

- Assisted students to achieve a better understanding of specific subject material
- Helped students develop the study skills necessary for academic success
- Helped students develop self-confidence, raise self-concept, and reduce anxiety or fear of failure in academic work
- Answered and transferred telephone calls, provided information for students seeking tutoring assistance, recorded key details in tutoring logs, assisted in tutor recruitment, and coordinated special events for the department

AFFILIATIONS/HONORS

Golden Key International Honour Society
Science Association, Member
College Reading and Learning Association Tutoring Certificate
