

Housing Accommodation Application for Students with Disabilities

NOTE: Just as any other student, those needing housing accommodations for a disability must also separately apply for housing by submitting a completed **Housing Reservation Form** and deposit to the Office of Undergraduate Admission or the Office of Housing and Residence Life, as appropriate. Decisions will be made on a first-come, first-served basis. However, every effort will be made to reasonably accommodate students with disabilities.

Name _____

Daytime Phone _____ Cell Phone _____

CSU E-mail _____ Alternate E-Mail _____

LakerID# _____
