By submitting this application you agree that the information submitted will be entered into the 1-87-RIDEFIND rideshare database. Matches are made via computer and based on proximity of home and Clayton State site addresses and Clayton State schedules. If you have agreed to be matched with potential rideshare partners, they will receive a letter with your preferred contact information. Your information will not be provided to a marketing company, but may be shared with a vanpool leasing company for the purpose of vanpool formation. Participation in a carpool/vanpool, and use of the Guaranteed Ride Home (GRH) program is an individual decision. You are completely responsible for the operation of your carpool or participation in a vanpool. The Atlanta Regional Commission and its employer service partners shall have no responsibility or liability for any claims, expenses, or damages resulting from any individual's participation in a carpool, vanpool, or the GRH program.
